Sir:

Attached in duplicate is Form PTO-1050 with at least one copy being suitable for printing.

The exact page and line number where the errors are shown correctly in the application file are:

In the Specification

In the Original Application, filed June 30, 2000:

On page 15, line 14-15, replace "competing 150 control" with --competing control--.

On page 15, line 18, replace "AVIC" with --AV/C--.

On page 16, line 10, replace "access activity 701" with --access activity 70'--.

On page 21, line 22 through page 22 line 3, the two sentences should be combined into a single paragraph. Replace:

"As described herein, within the preferred embodiment of the present invention, the descriptor mechanism is the AV/C bulletin board subunit and is used to monitor access activity of specified descriptors or entries within the bulletin board subunit.

However, it should be apparent to those skilled in the art that the teachings of the present invention, as described herein, can alternatively be used with any other appropriate descriptor mechanism to monitor access activity of any other appropriate descriptor."

With:

--As described herein, within the preferred embodiment of the present invention, the descriptor mechanism is the AV/C bulletin board subunit and is used to monitor access activity of specified descriptors or entries within the bulletin board subunit. However, it should be apparent to those skilled in the art that the teachings of the present invention, as described herein, can alternatively be used with any other appropriate descriptor mechanism to monitor access activity of any other appropriate descriptor.--
